RE: OCSD Memorial Highway

Treasurer

Dear Lieutenant Ronan,

Phil McWilliams
Director

We would like to thank you for seeking the input of the Inter-Canyon League regarding the potential dedication of Santiago Canyon Road as a memorial highway to honor fallen deputies in the County of Orange.

We would like to show our support of the project as discussed with our membership by the installation of two dedication signs being placed on Orange County Route S-18. One sign will be placed on Santiago Canyon Road near Loma Ridge for southbound traffic and the other near the 73 and El Toro Road for northbound traffic.

We are very grateful for the Sheriff's Department's service to our community and are honored to pledge our support of this project.

Sincerely,

Mike Colgan
President
